

THE CITY OF SAN DIEGO CLEAN GENERATION LOAN PROGRAM

Attention San Diego Home Owners:

Right now the City of San Diego will pay for you to have a solar energy installed on your home! Start saving money today!

--No credit check required

--Everyone qualifies for the best rate

--20 year fixed rate loan at 6.89%*

--Monthly payments less than your monthly savings.

--Add value to your home without paying a dime out of pocket

--Value added to your home exempt from home improvement property tax reassessment

--If you decide to move, the loan transfers to the new property owner—no risk of paying for the system once you are no longer saving money.

*Fixed Rate determined by 20-yr treasury yield

“You no longer have to choose between saving money and going green”
